

Moving Waters

HIRE AND DRIVE OR
SELF CONTAINED MOORED ACCOMMODATION
James Avenue Riverfront, Renmark SA

At our picturesque Renmark Mooring.

The choice is yours!

Moving Waters can be enjoyed in two different ways for your next houseboat holiday:

Self Contained Moored Accommodation

Moored at a peaceful location and only a 5 minute stroll to Renmark's retail outlets, dining & playground. It's accommodation with a difference!

- Throw in a fishing line and catch your dinner!
- From the large rear decks, take a dip in the river or paddle in a kayak
- Enjoy water sports action and moor your speedboat to the side of the houseboat
- Take in the magnificent lights of the town at night, whether you are cooking on the BBQ or relaxing.
- Rates are on a per person basis- minimum 2 and maximum 10 berth.
- 240v power supplied at houseboat mooring.

OR Hire and Drive

Perfect for those eager to see the many changing faces of the Murray as you cruise and experience the natural habitat that it holds . . . all of course from your luxurious home away from home!! Moving Waters offers a great holiday for all season – in the cooler months enjoy a camp fire on the riverbank and cook dinner with the camp ovens supplied. In the warmer months, Moving Waters offers a fantastic platform from which to enjoy water sports/activities.

Please contact us or check out the website for pricing on both holiday options.

"Moving Waters" is situated in the peaceful upper South Australian reaches of the Murray River and boasts a modern design, spaciousness and easy operation to create an extremely comfortable and relaxing houseboat holiday for small to large groups and families.

Privately owned and operated, we take pride in what our boat has to offer including:

- Large panoramic windows
- 10 berth - 3 queen split apart beds and 2 sets of bunks
- 2 bathrooms (one shared ensuite bathroom)
- Modern kitchen conveniences including dishwasher
- Washing machine
- Integrated CD sound system, iPod connection
- 42" TV/DVD (living area) and 32" TV/DVD (bedroom)
- Ducted cooling and gas heating
- Large shaded upper deck with 2 garden swings and 4 sun lounges
- Large 3m undercover rear deck and 1.8m swim deck for "at water level" enjoyment
- Hooded BBQ
- Economical 4 stroke motors
- Power supply provided by 10 eco-friendly solar panels and only when required, backed up by a quiet, enclosed Honda generator.
- 2 outdoor Evakool ice chests
- Kayaks also available for hire at affordable rates

Floor Plan 18.6m x 8m
