# BOUTIQUE WINES

The Salter's have been growing grapes in the Blanchetown area for four generations. This unique vineyard is situated in the Paisley area of Blanchetown in the lower reaches of the Riverland, South Australia. The first vines were planted in 1933 and today the Salter legacy has been carried on by Greg and Jane Salter and sons Ryan and Nathan with further expansion of the vineyard and development of the Burk Salter wine label.

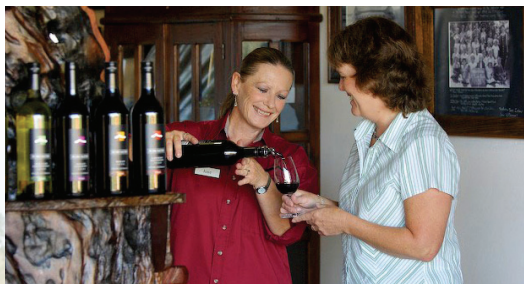

## THE SALTER NAME

In 1933 Burk Salter and his father planted the first vines on a small 2 acre block on the family property. After serving in the RAAF in the Second World War, Burk returned home and married Yvonne Darling. By the mid 1950's they had a well established vineyard of their own.

## VINE TO WINE

The wines of Burk Salter are produced using grapes sourced exclusively from the 55 acres of mature aged vines on the Salter family property and processed into wine in the Barossa Valley. This premium boutique wine has predominantly fruit driven characteristics which enhance the full flavour of the grapes yet maintaining the fine taste of aged oak and spice flavours.

## CELLAR DOOR

Burk Salter Wines was the first boutique Cellar Door to open in the Riverland. It was once the mechanics garage of a Mobil Service Station built and run by Burk and his wife Yvonne from 1954 to the early 1960's. Fitted out with beautiful hand crafted Red Gum bars and fixtures, the Cellar Door overlooks the vineyards, River Murray and the majestic river cliffs. A photographic history of the family and region adorn the walls.

So indulge yourself, take time to visit and sample the wonderful range of award winning wines we have to offer.
