

The Majestic Murray River

There's no better way to see the Murray River and a slice of the hauntingly beautiful and dramatic Australian outback. Discover the unique flora and fauna, the rich legacy of old riverside ports and indigenous culture close up as you drift unhurried and quietly under the power of the paddle-wheeler PS Murray Princess.

Captain Cook Cruises offers a unique historic and nature-based adventure, past mallee scrub and ancient red gum forests, through towering gorges and ochre-coloured limestone cliffs.

Along the way visit historic ports and lush vineyards as we navigate the Murray's big river bends.

Hike around a boardwalk trail or enjoy a guided nature walk. Take a small boat safari of the lowlands, visit a riverside village, or join all the fun of a riverside barbecue. Don't forget your camera for spectacular river images.

The South Australian food and wine trail is one of the best in the world. Sample some of the river produce at the cellar door or extend your tour to the famous Barossa Valley wineries.
