Murray River & PS Emmylou Story

The side wheel paddlesteamers are distinctly Australian having first plied the Murray river in 1853, they established a thriving industry which survived until rail and roads began to service the region near the turn of the century. By 1873 there were 240 boats trading along the Murray River. The inland prospered as trade and commerce developed, and previously out of the way settlements were kept in touch with the cities.

With the introduction of the railway, the paddlesteamers and their industrious crews progressively lost work until the riverboat industry was but a shadow of it's illustrious past.

The Murray River which includes the Darling and Murrumbidgee rivers is one of the longest river systems in the world. Although weirs have cut down the navigability of the river, the Murray alone still claims 2508 kilometres of meandering waters.

PS Emmylou, the world's only wood-fired cruising paddlesteamer reminds us of the romantic days of the paddlesteamers and is now an Australian Icon of the River. Built locally during 1980-82 in the style of the 19th century paddlesteamers, she is perfectly at home at the Port of Echuca, residing with the last few remaining paddlesteamers of the past. She is 30 metres long and 10 metres wide, steel hulled and timber decked.

During 2018 PS Emmylou underwent a specially designed luxury upgrade and fit out. The new contemporary cabins and ensuites include fine linens topped with silky duvets, with the boats' premier cabin, the Emmylou Suite located on the front Upper Deck, with French Doors opening to a deck and 180 degree views of the river.

Guests can enjoy small boat boutique cruising at it's finest with just 16 guests comfortably accommodated in 8 deluxe cabins as PS Emmylou visits places of geographic, historic and Aboriginal cultural significance. Guests will also enjoy onshore tours visiting outstanding local wineries, dropping into local producers and accessing ancient world heritage Murray river tributaries aboard MV Kingfisher with an environmental specialist.

Onboard dining, prepared by the Emmylou's Chef, features local produce and wines from across the Heathcote and Perricoota wine regions. Riverside campfires are offered in the evenings, with stunning night skies to complete this unique experience.

We are proud to continue the tradition of overnight cruising on Australia's greatest waterway with our trademark level of country hospitality aboard an authentic paddlesteamer. We hope you can join us to connect you with Australia's inland history, geography, culture and cuisine.

Terms & Conditions

General

The transportation of guests and baggage aboard the vessel/s is governed by these Terms and Conditions. Please carefully read the terms of this cruise agreement.

Your payment of deposit or full fare constitutes agreement to these terms and conditions which includes limitations and exonerations of the liabilities and obligations of Carrier. You should read and understand these terms and conditions carefully before making a deposit. The vessel/s is operated by Australian Paddlesteamers Pty Ltd, trading as Murray River Paddlesteamers (MRPS) and is regularly inspected by the Australian Maritime Safety Authority, AMSA.

Definitions

The terms "you" and "Guests" refer to any and all person(s) named on the front of the Confirmation and include all children or others under the care or control of the named person(s). The term "Carrier" includes Murray River Paddlesteamers, its parent and affiliated entities, the vessels, the owners, charterers, operators, agents, and masters and crews thereof, any substituted or connecting ship, the owners, charterers and operators and all launches belonging to any such boat or owned or operated by the owners, charterers or operators. The term "Fare" includes voyage and shore excursions purchased from Carrier.

Fares are in Australian Dollars, are per guest, are based on double occupancy, and do not include air or land transport.

Single Occupancy Fares carry a 60% surcharge. Port charges are included in the fare. All fares, itineraries, themes, entertainment, shore excursions and other voyage attributes are subject to change without notice and we reserve the right to not honour any published prices that we determine were erroneous due to printing, electronic or clerical error.

Deposit and Final Payment

For confirmation of individual bookings, a non refundable deposit of \$400 of the full fare per person is due upon booking online & within 3 days if booking direct or via a travel agent. The balance of the voyage fare is due ninety days (90) prior to departure date, and all reservations not fully paid at such time will be cancelled and subject to the cancellation provisions set forth in the cancellation policy below. MRPS accepts the following forms of payment: MasterCard, Visa & Bank Transfer. A credit card surcharge between 1.20% - 1.70% maybe incurred for credit card payments depending on the credit card used. Domestic Australian Bank Transfers incur no surcharge or cost. International Bank Transfers incur a minimum A\$15 fee which must be added to the payment made. Bookings made ninety (90) days or less prior to the departure date require payment in full at the time of booking.

Cancellation and Change Policy

Guests who must cancel or change the date of their voyage or any part of their package for any reason, including medical or family reasons, are subject to the fees as outlined below. All fares are based on double occupancy; on reservations in which one guest cancels, the remaining guest is responsible for paying any and all single supplements. MRPS reserves the right to cancel all reservations for which final payment is not received ninety (90) days prior to the departure date.

You acknowledge that your cancellation will cause MRPS difficulty in selling a replacement cruise and thus the cancellation fees herein apply regardless of whether your cruise is resold. You agree that any losses sustained by MRPS in the event of cancellation would be very difficult or impossible to quantify and the cancellation fees are fair and reasonable as liquidated damages. The following cancellation fees will be assessed for all written cancellations received prior to departure up to the scheduled time of departure.

Also, we must be notified of any medical treatment that may render the guest unfit for travel or constitute a risk or danger to the guest or anyone else aboard. The vessel does not carry a medical doctor aboard. Acute medical conditions will require you to disembark to be attended to by shore-side emergency and/or medical response. Guests needing any form of assistance and those who are physically disabled must be accompanied by someone who will take full responsibility for any needed assistance during the cruise and in the event of an emergency. We reserve the right to refuse passage to anyone who, in our sole opinion, may affect the health, safety or enjoyment of other guests. Guests requiring a wheelchair must provide their own collapsible wheelchair. Please be aware that some ports of call, shore excursions, docks, gangways and other requirements may preclude a wheelchair guest from leaving the vessel; this decision will be made by the ship's captain and is binding. Also, there may be certain physical conditions, including stairways and narrow passageways within the vessel that may limit or preclude the accessibility of wheelchair guests to some areas. We strongly recommend you purchase travel insurance. With travel insurance, you can plan and enjoy your trip with complete peace of mind.
