

a free community festival

Flourish

Creating sustainable communities through higher education

Saturday 14th November 2015

10am to 9pm

Flourish celebrates and shares the experiences of local primary and high school students who have participated in the Learning Communities Program during 2015 with the community. The festival includes exhibits and discussions with sustainability champions from the local area and beyond who have inspired students work. Flourish is also the major closing event for Albury Wodonga's Sustainable Living Week (7-14 Nov). Enjoy...

Film Screenings • Art Displays • Live Music • Exhibits • Games • Fun Activities
