

Community Bird Monitoring Field Surveys: Riverland

When & Where?

Saturday 3 December

8 am – 1 pm

Horseshoe Lagoons and Yabby Creek

please note this survey will be conducted in kayaks

Attendees can either meet us at Loxton Caravan Park (300 m from the big pelican) or meet at 2 Wade Street, Berri (meet at 7.40 am)

Suitable for those who have attended an introduction course or have some prior experience.

Who?

Community members who are interested in bird watching and contributing to a citizen science online database.

Why?

Your participation will assist with monitoring birds and the overall environmental health of the SA Murray-Darling Basin region. Involvement in the survey will provide you with more field identification and data entry experience, and contribute meaningful data.

How much?

FREE

Morning tea provided. BYO lunch.

Binoculars & ID guides available for loan.

Please note that the kayaking part of this this tour is subject to change or cancellation according to weather (e.g. moderate to strong wind) or other factors beyond our control. An alternative walking survey will be offered to participants if we can't go kayaking.

Birds

Fields marked in red (a help icon or asterisk) are mandatory.

Click on the map to set the location of the sighting. You can drag the newly created location around the map to change the coordinates.
