ROSE FESTIVAL ART EXHIBITION

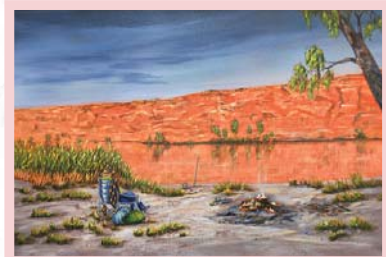

Friday 19th - Monday 29th October 2018

Lyn Anstey is an accomplished artist who won her first art prize at age 7.

Walking along the River almost every day, she feels the different atmospheres – sees the different lights, the sunrises and sunsets. She sees the people walking and talking, walking their dogs and boys on ropes swinging in to the water. She sees campers, skiers, fishermen and always the birdlife and the beautiful river red gums. Some of the works evoke happy memories for long term residents and as a result have been snapped up and taken home. 'River Life' will be a never ending series as there is so much to capture on canvas.

Lyn will show a medley of her work. Besides the 'River Life' and 'My Garden' series, she has selected a number of landscapes and other art which she hopes you will enjoy.

Original paintings and Limited Edition signed prints will be available for sale.
