

Participants receive a
\$15 voucher
or free
inflatable liferaft
self-service parts
REGISTER NOW

By law, inflatable liferafts must be serviced at regular intervals to ensure they will work in an emergency. Most can be self-serviced, depending on the manufacturer's guidelines.

Transport for NSW will be conducting self-service clinics at various locations across the Murray Inland region.

To secure your place at one of these sessions, **REGISTER** at roads-maritime.transport.nsw.gov.au

Come to one of the free half-hour sessions at these locations and learn how to service your liferaft.
